**ESOFTSOLUTIONS, INC. RANKED #2 ON THE TOP FIFTEEN
"BEST PLACES TO WORK IN DALLAS-FORT WORTH"**

DALLAS, Texas (April 22, 2004) – Esoftsolutions, inc., a comprehensive IT systems designer and integrator, was named among the Top Fifteen "Best Places to Work in Dallas-Fort Worth", for the second year in a row, in the Small Business category for companies with 1-100 employees. The award was accepted on behalf of esoftsolutions by Sheldon Arora, CEO, at the Dallas Business Journal 2004 Best Places to Work Awards Luncheon held April 22 at The Fairmont Hotel in Dallas.

"Since the day we opened our doors for business, we've built a culture around the belief that by attracting and retaining the most talented professionals in the business, we can build a world-class company that serves customers beyond their expectations" said Jenny Hanlon, Chief Financial Officer.

The "Best Place to Work in Dallas-Fort Worth" Awards recognizes companies that excel in valuing employees as their greatest asset for creating business results. Approximately 250 companies in four categories submitted company and employee surveys. Top Fifteen finalists and company rankings in each category were determined by a point scoring of responses to survey questions. Employee responses account for 60 percent of the overall score.
