**ESOFTSOLUTIONS, INC. RECOGNIZED AS ONE OF THE  
"101 BEST AND BRIGHTEST COMPANIES TO WORK FOR"**

**DETROIT, Michigan** – November 7, 2002 – Esoftsolutions, inc., a comprehensive IT systems designer and integrator, was named one of the "101 Best and Brightest Companies to Work For." Chief People Officer Jennifer Anderson accepted the award on behalf of esoftsolutions at the Troy Marriott during an awards luncheon and ceremony.

"Since the day we opened our doors for business, esoftsolutions has built a culture around the belief that by attracting and retaining the most talented professionals in the business, we can build a world-class company that serves customers beyond their expectations," said Anderson. "After all, as an employee-owned firm, each of our associates has a personal understanding of what it takes to make a company successful."

The "101 Best and Brightest Companies to Work For" initiative is an annual effort to identify and honor the region's most desirable employers, those who excel in human resources practices such as recruitment and retention, training and education, diversity and multiculturalism, and employee communication and recognition. Other companies acknowledged were Accenture, Ernst & Young, Pepsi Cola Company, and Sprint PCS.

Businesses that received a "101 Best and Brightest Companies to Work For" award recognize employees as their greatest assets and work with imagination and conviction to create organizational value and business results through people. The purpose of the initiative is to develop new human resource benchmarks and research for Metropolitan Detroit businesses while positively impacting the image of Detroit and accelerating economic development.
