LiquidAgents Healthcare Announces the Opening of Regional Office in Needles, California

Dallas, Texas -- January 2, 2006 -- LiquidAgents Healthcare, a leading healthcare staffing and comprehensive workforce procurement agency, announced today the opening of a regional office in Needles, Calif. The staff in the new location will supplement the headquarters in Dallas, Texas.

The new location will enhance LiquidAgents' service for California clients, and will also be a critical facility for finding candidates across the United States and entering them into the database. The address is 1400 Needles Hwy, Suite 108, Needles, CA 92363. Their phone number is 760.326.5317, and fax is 760.326.4075.

"We are pleased to announce the opening of this new location," said Sheldon Arora, Chief Executive Officer of LiquidAgents. "The company has been growing exponentially, and as we increase the number of candidates and clients, the new office allows LiquidAgents to serve our customers more efficiently."

LiquidAgents continues to grow, both in revenue and physical locations; the company is one of the fastest growing healthcare workforce procurement agencies in the United States. Its parent company, esoftsolutions, has been named to the Dallas Business Journal's "Fastest Growing High-Tech Companies" list three years in a row, as well as the "Best Places To Work" list four years in a row, ranking #1 in 2006. Esoftsolutions has also been named to the "101 Best & Brightest Companies to Work For" list, and was #52 on *Inc.* magazine's "America's 500 Fastest Growing Private Companies" list.
