LiquidAgents Healthcare Finalist in Celebration of Enterprise Award

Plano, Texas – September 30, 2009 -- LiquidAgents Healthcare, a healthcare staffing and comprehensive workforce procurement firm, was a finalist in the Celebration of Enterprise Awards for companies in the \$10 million to \$50 million range. The event was held Sept. 30 at the Plano Centre where a record number of people attended the VIP reception and the award luncheon. This award honors Collin County based companies that demonstrate entrepreneurial spirit.

Sponsored by Capital One bank and presented by the Collin County Press, the award is judged by local business owners and personalities. The judging criteria of nominated entrepreneurs include seeing a need in the marketplace, taking risks and facing adversity to meet that need, and achieving success despite those challenges.

“Since the day we opened our doors for business, LiquidAgents Healthcare has built a culture around the belief that by attracting and retaining the most talented professionals in the business, we can build a world-class company that serves customers beyond their expectations” said Sheldon Arora, Chief Executive Officer.
