LiquidAgents Healthcare Makes Inc. 5000 list for Second Year

Plano, Texas – August 24, 2011 – LiquidAgents Healthcare, an industry leader in healthcare staffing, has once again been named to the prestigious Inc. magazine list of fastest-growing private companies in America.

“With this accomplishment LiquidAgents Healthcare joins the rarified company of enterprises that have appeared on the list multiple times, many of which have grown to become national icons,” said Jane Berentson, Editor in Chief, Inc. magazine.

“Our award-winning recruitment and credentialing process helps LiquidAgents Healthcare attract top-tier professionals in the healthcare and staffing industries. Our clients expect quality recruits and service that goes above and beyond industry standards,” said Sheldon Arora, CEO. “We have nearly a decade of experience, and we’ll leverage that success into the future.”

In addition to their Plano-based employees, LiquidAgents Healthcare employs hundreds of full-time travel nurse and allied professionals in leading hospitals throughout the United States. In contrast to the sluggish employment numbers of the economy overall, hiring is expected to increase substantially in the coming year.
