**FOR IMMEDIATE RELEASE**

## **LiquidAgents Healthcare Named #1 “Best Company to Work For in Texas” by Texas Monthly**

Plano, Texas – February 2, 2012 – LiquidAgents Healthcare recently took the top spot in the 2012 Best Companies to Work for in Texas. The awards program was created in 2006 and is a project of Texas Monthly, the Texas Association of Business (TAB), the Texas State Council of the Society for Human Resource Management (TSC-SHRM) and Best Companies Group.

This statewide survey and awards program was designed to identify, recognize and honor the best places of employment in Texas, benefiting the state's economy, its workforce and businesses. LiquidAgents Healthcare was awarded the number one spot.

Companies from across the state entered the two-part survey process to determine the Best Companies to Work for in Texas. The first part consisted of evaluating each nominated company's workplace policies, systems, philosophies, practices, and demographics. The second part consisted of an employee survey to measure the employee experience. The combined scores determined the top companies and the final ranking.

“If there’s one thing I know about Texas, it’s that bragging rights are very important,” said Sheldon Arora, LiquidAgents’ CEO. “Winning this award shows that our employees love working for us and that we can compete with any great company in Texas. And that’s something worth bragging about.”

LiquidAgents Healthcare was recognized and honored at the Best Companies to Work for in Texas awards ceremony on Thursday, February 2, 2012 as part of the Texas Association of Business 2012 Annual Conference in Austin, Texas. The final rankings were also released in a special advertising section of the February 2012 issue of Texas Monthly.
