FOR IMMEDIATE RELEASE

LiquidAgents Healthcare Participates in Frisco Family Services School Supply Drive

Plano, Texas – August 7, 2012 – The employees of LiquidAgents Healthcare, an award-winning industry leader in healthcare staffing, recently wrapped up their annual school supply drive for Frisco Family Services. Working in teams of five, LiquidAgents Healthcare’s recruiters, salesmen and office support staff competed against one another to see who could bring in the most supplies.

“Giving back to the community is an important part of our company culture,” said Jenny Hanlon, Chief Financial Officer of LiquidAgents Healthcare, LLC. Part of our job is helping others succeed and reach their maximum potential. So, it’s great to be able to do that not only for our clients but also for children in need.”

Working together internally as a team and encouraging other tenants in the building to participate- resulted in more children and families having food, clothes and school supplies for the fall season. Frisco Family Services expressed their gratitude for these large donation efforts and announced their plans to expand the current donation facility to the former Frisco resale store space in early September. This move will allow for more space and provide access to more food for Frisco residents who are experiencing hardships.
