## **LiquidAgents Healthcare Receives Accreditation from The Joint Commission**

Plano, Texas – January 30, 2008 – LiquidAgents Healthcare, LLC has achieved the Gold Seal of Approval™ for health care staffing services from The Joint Commission. LiquidAgents Healthcare, LLC underwent an unannounced, on-site review of its compliance with national standards addressing how staffing firms determine the qualifications and competency of their staff, how they place their staff, and how they monitor staff's performance.

“Health care organizations that contract with LiquidAgents Healthcare, LLC can look to this certification as an assurance that LiquidAgents Healthcare, LLC demonstrates a commitment to providing and continuously improving quality services,” says Michele Sacco, M.S., executive director, Health Care Staffing Services Certification, Joint Commission.

The ongoing shortages of nurses, pharmacists and other health care professionals have forced health care organizations to increasingly fill positions with temporary workers through contractual arrangements with staffing firms. The Joint Commission's certification program, launched in October 2004, offers an independent, comprehensive evaluation of a staffing firm's abilities to provide competent staffing services.

“Certification recognizes LiquidAgents Healthcare, LLC dedication to providing nurses that are qualified to provide safe, high-quality care to patients,” says Sheldon Arora, CEO. “We're proud to receive the Joint Commission's Gold Seal of Approval™.”
