LiquidAgents Healthcare Signs Five-Year Federal Supply Schedule (FSS) to Provide Healthcare Staffing for Government Facilities

Plano, Texas – July 15, 2009 – LiquidAgents Healthcare, a leading healthcare staffing and comprehensive workforce procurement agency, announced today that it has signed a five-year Federal Supply Schedule Contract to provide nurse and therapy staffing to government facilities nationwide. The contract will be effective today, July 15, 2009.

Under the terms of the five-year contract, Veteran Administrations (VA) facilities, Military Hospitals, and Indian Health Service (IHS) facilities can obtain nurses and therapist, making the procurement of staffing easier. The Federal Supply Schedule Contract allows LiquidAgents Healthcare to provide nurse and therapy staffing to 153 Veteran Administration (VA) facilities, 93 Military Hospitals, and 95 Indian Health Service facilities in all-50 states, Puerto Rico, and DC.

"We are pleased that LiquidAgents Healthcare has been selected, to provide healthcare personnel on a continuing basis, for our government's medical and Indian Health facilities, to help care of our veterans, military personnel and Native Americans," said Sheldon Arora, Chief Executive Officer for LiquidAgents Healthcare. "Our staffing team has successfully built relationships with hospitals around the United States and I am confident that we will develop the same valuable relationship with the government under this contract."

The FSS contract greatly increases national assignment options for healthcare professionals working with LiquidAgents Healthcare. Areas of service opportunities are available for specialty and non-specialty registered nurses, physical therapists, occupational therapists, and surgical technologists.
