LiquidAgents Healthcare Ranks #6 on “Fastest Growing U.S. Staffing Firms” List

Plano, Texas – July 9, 2009 – LiquidAgents Healthcare, a healthcare staffing and comprehensive workforce procurement firm, announced today that it took the 6th spot on the fastest-growing U.S. staffing firms list by the Staffing Industry Analysts. LiquidAgents had a compound annual average revenue growth of 64.6% over 5 years.

“We are very pleased to make the list,” said Sheldon Arora, Chief Executive Officer of LiquidAgents. “Our team is focused on serving the needs of our clients. Since the day we opened our doors for business, we have built a culture around the belief that by attracting and retaining the most talented professionals in the business, we can build a world-class company that serves clients beyond their expectations.”

Staffing Industry Analysts ranking is based on compound average annual growth from 2004 – 2008, with revenue adjusted for acquisitions. In addition, the companies must have generated revenue of at least \$1 million in 2004. As part of the qualification process the participating companies making the top 10 list were required to submit financial statements for validation. Only U.S. based companies were eligible for consideration.
