LiquidAgents Healthcare Ranks No. 1 on the Staffing Industry Analysts' "Best Staffing Firms to Work For" List

Plano, Texas – February 24, 2016 – LiquidAgents Healthcare ranked No. 1 on Staffing Industry Analysts' (SIA) 2016 "Best Staffing Firms to Work For" list. This is the second time LiquidAgents Healthcare has taken the top spot on this list and the sixth consecutive year to rank among the Top 50 staffing companies in the 51-to-200-employees category.

The nationwide survey, sponsored by Monster Worldwide, Inc., is comprised solely of employee feedback and involves a 40-question survey measuring 10 key-engagement categories. The results and subsequent rankings are chosen from the highest overall composite score. Quantum Workplace, an independent research firm specializing in employee engagement, conducted the program for Staffing Industry Analysts. Employees of 182 staffing firms were surveyed.

"We are honored to be recognized by Staffing Industry Analysts this year. Because we've created a positive work culture within our company, employees are able to provide the level of customer satisfaction we pride ourselves on," said Sheldon Arora, CEO. "They make our company an incomparable place to work and an exceptional partner for our clients nationwide. We work to ensure the best is yet to be – for each other, our families, and our clients."

LiquidAgents Healthcare was recognized and honored at the 2016 Staffing Industry Executive Forum on Wednesday, February 24, 2016. The final rankings and company profile will be released in the March/April edition of the *Staffing Industry Review*.
