## **LiquidAgents Healthcare Ranked as #1 “Best Staffing Firm to Work For” by SIA**

Plano, Texas – March 14, 2012 – LiquidAgents Healthcare recently took the top spot in Staffing Industry Analyst’s 2012 Best Staffing Firms to Work For. Staffing Industry Analysts, the global advisor on contingent work, and its publication Staffing Industry Review sponsored the survey. Quantum Workplace, an independent research firm, tallied the results of this year’s employee engagement survey.

The winners were announced at the 21st annual Staffing Industry Analysts Executive Forum in Las Vegas, Nevada. This is the second consecutive time LiquidAgents Healthcare has garnered the number one spot. Over 140 companies participated in this year’s survey. “These firms truly represent not only a broad range of staffing companies and services, but based on the results, they exemplify great companies to work for,” stated Barry Asin, President of Staffing Industry Analysts. “We would also like to specifically congratulate LiquidAgents for their top rating in the up to 50 employee category two years in a row,” continued Asin.

This nationwide survey and awards program involves a 40-question survey that measures 10 key employee engagement categories. The results and subsequent rankings are based entirely on employee feedback, and winners are chosen based on the highest overall composite score.

“This award is very important to us. It’s based only on employee feedback. Taking one of the top positions validates our culture in a way that nothing else can,” said Sheldon Arora, LiquidAgents’ CEO. “Our clients are almost as excited about this as we are. It’s a great selling point.”

LiquidAgents Healthcare was recognized and honored at the 2012 Staffing Industry Executive Forum on Wednesday, March 14, 2012. The final rankings will also be released in a special edition of Staffing Industry Review
