## **LiquidAgents Healthcare Donates Food and Gifts to Frisco Family Services**

Plano, Texas – November 21, 2011 – The employees of LiquidAgents Healthcare recently finished their annual food drive for Frisco Family Services. Helping the effort was Girl Scout Troop 2719 of Frisco.

Working in teams, the company's employees held a competition to see who could bring in the most non-perishable food items. Girl Scouts from Frisco Troop 2719 visited LiquidAgents' offices to help sort the donations into categories and ready the items for donation. In keeping with company tradition, 14 employees volunteered on Saturday to help Frisco Family Services distribute food to North Texas families. Over 200 families benefit from the yearly food drive and receive everything needed to complete a Thanksgiving meal as well as various day-to-day items.

"This year's food drive was a great success," said Jenny Hanlon, LiquidAgents' CFO. "It's a great opportunity for us to give back to our community. We feel very fortunate and thankful to be able to help."

The company challenge brought in hundreds of items that included non-perishable foods, cooking oil, flour, sugar, tea, coffee and non-food items such as board games and DVDs.
