LiquidAgents Healthcare Ranks Top of List on Modern Healthcare's "Best Places to Work"

Plano, Texas – October 25, 2010 - Modern Healthcare magazine ranked LiquidAgents in the top quarter of their annual "Best Places to Work" once again. Liquid Agents Healthcare, a staffing and recruiting firm, surpassed 80 candidates to achieve their nationally recognized position as an outstanding employer in the industry. One hundred healthcare companies participated including providers, suppliers, payers and associations.

"We are so grateful to receive an award of this stature," LiquidAgents CEO, Sheldon Arora, said. "We will continue to work towards creating an excellent work environment for our employees and inevitably for our clients."

Best Companies Group, who administrated the program, gathered information from both employers and employees. A survey on company policies, practices, benefits and demographics evaluated employer performance. In-depth questions completed by employees analyzed leadership and planning, culture and communications, role satisfaction, working environment, supervisor relationship, training and development, pay and benefits, and overall satisfaction.
