LiquidAgents Healthcare Employees Recognized as “Recruiters of the Year” by Healthcare Traveler Magazine

Plano, Texas – December 12, 2012 – LiquidAgents Healthcare, a healthcare staffing and comprehensive workforce procurement firm, announced today that senior recruiters Cindy Yates and Jered Furrh, were recognized as “Healthcare Recruiters Of The Year” for both Nursing and Allied Health Professionals in Healthcare Traveler Magazine.

"Cindy always knows what I am looking for in an assignment. I don't have to repeat my preferences for every contract," said Ronald Evens, RN. "She doesn't try to 'pawn off' assignments that don't match my wishes because she understands and looks for what I want."

"Jered is the best recruiter I have ever worked with. He has my best interest at heart and will go to bat for me in any situation. Always available by business phone or personal cell, Jered is reliable and hardworking," said Jennifer Murnin, PTA. "I have never seen this kind of dedication from another recruiter. He puts my own needs before the almighty dollar, and I love working with him. His company is ethical, and he is just a true keeper."

Healthcare Traveler Magazine honors the top recruiters in the country for their outstanding performance annually by sending them a personalized award for their efforts as well as featuring their professional accomplishments, in a special insert of Healthcare Traveler Magazine, each December.
