## **LiquidAgents Healthcare Ranks Second for “Best Staffing Firms to Work For” According to Staffing Industry Analysts**

Plano, Texas – March 20, 2014 -- LiquidAgents Healthcare was honored today in Staffing Industry Analyst’s 2014 “*Best Staffing Firms to Work For.*” Staffing Industry Analysts, a global consultant on contingent work, and its publication, *SI Review*, sponsored the survey. Quantum Workplace, an independent research firm specializing in employee engagement conducted the program for Staffing Industry Analysts. Employees of nearly 140 staffing firms were surveyed. This nationwide survey and awards program involves a 40-question survey that measures 10 key engagement categories. The results and subsequent rankings are based entirely on employee feedback, and winners are chosen based on the highest overall composite score.

“It is such an honor to be recognized by the Staffing Industry Analysts as one of the Best Staffing Firms once again. Our employees’ feedback on our culture continue to rank us at the top, and that is such a rewarding feeling,” said CEO Sheldon Arora. “We know happy employees do great work and that translates into taking good care of our clients.”
