Plano, Texas – September 27, 2011 – Staffing Industry Review and Staffing Industry Analysts named Sheldon Arora, CEO of LiquidAgents Healthcare, to the prestigious Staffing 100.

The nationwide list was created to recognize the most influential leaders in the staffing industry and was compiled by nominations from industry leaders and the Staffing Industry Analyst team. The yearly list defines success for a range of staffing industry professionals including those who are just starting out as well as CEOs of well-established companies.

Mr. Arora was also added to a special “Movers and Shakers” section, honoring the most active leaders in staffing. Other sections included, “Large Company CEOs, Women in Staffing, Innovators and Thought Leaders, and Industry Veterans.”

“These folks have influenced staffing for the better and helped drive its growth,” said Craig Johnson of Staffing Industry Review. “These lists credit people who have made a difference to the industry and thereby positively affected the lives of hundreds, if not millions.”

“It’s an honor to be added to the Who’s Who of staffing,” said Sheldon Arora, LiquidAgents’ CEO. “It’s a list of great people and to be in that kind of company is truly inspiring.” Mr. Arora is featured in the October issue of Staffing Industry Review and online at [staffingindustry.com](http://staffingindustry.com).
