LiquidAgents Healthcare Ranks #58 on SMU Cox 'Dallas 100' Entrepreneur Awards List

Plano, Texas – November 30, 2016 – LiquidAgents Healthcare announced today that it took the 58th spot on the SMU Cox 'Dallas 100' Entrepreneur List. The final award recipients were announced at the annual Dallas 100 Awards Ceremony and Banquet on Tuesday, November 29, at the Omni Dallas Hotel.

“It is an honor to be chosen for this award,” said LiquidAgents Healthcare CEO, Sheldon Arora. “To be in the company of the top 100 entrepreneurs in the DFW area, is truly inspiring. We’re all working towards one common goal - to help our industries prosper through tough economic times and create jobs and opportunities for our people.”

Dallas 100, founded by SMU Cox Caruth Institute for Entrepreneurship, honors the ingenuity, commitment and perseverance of the fastest growing privately-held entrepreneurial businesses in Dallas.

The twenty-sixth annual Dallas 100 Awards Ceremony was presented by the SMU Cox Caruth Institute for Entrepreneurship along with sponsors including Avison Young, BKD CPAS & Advisors, CARR Intellectual Property Law, Dallas Business Journal, EVOS Financial, Executive Press, KRLD News Radio 1080, Tekzenit and Texas Capital Bank.

The founders originally conceived of the event in 1990, in the midst of another economically challenging time for the country, with the goal of shining the spotlight on the good news about fast growth Dallas companies. The event continues to recognize privately held corporations, proprietorships or partnerships headquartered in Dallas that don't otherwise get attention, but which have created jobs and generated wealth for their founders and employees.
